NEW YORK STATE MASONIC BOWLING TOURNAMENT

In the capacity of Team Captain and acting for those whose names appear on this entry, I hereby enter those listed on the other side of this form in the NYS Masonic Bowling Tournament. I also agree to abide by the tournament rules and regulations prescribed. The entrants whose names appear herein, or their authorized substitutes, hereby agree that the tournament, its officers, and agents shall be liable only to the extent of returning entry fees if and when a team shall be prevented from bowling in the tournament by unexpected but necessary changes in schedule, premature termination of the Tournament, or for any reason beyond the control of the tournament organizers.

TOURNAMENT RULES

1. The event is open to men of all ages. Minors must sign "Parental Consent" form regarding forfeiture of amateur status.
2. Doubles teams must include at least one Mason in good standing.
3. Competition and prize categories will include doubles, singles and "all-events."
4. Entries may compete in one or more event; however, bowlers must compete in both doubles and singles to qualify for the all events prize.
5. Fees are \$15 per man for each of the doubles or singles events plus an additional fee of \$2 for the "all events" category.
6. Re-entries are allowed. However, entrants bowling more than once will have their first scores used for "All Events."
7. This tournament will be conducted in accordance with USBS rules except as specified.
8. Entrants shall use their highest previous year's sanctioned average based on a minimum of 21 games or their current average based on a minimum of 21 games if that current average is 10 pins or more higher than the previous year's average. Bowlers without established averages shall be assigned an average of 150 unless another "reasonable" average can be otherwise confirmed. Team captains are responsible for the correctness and authenticity of averages in the individual team members.
9. Handicap will be calculated by determining 100% of the difference between each entrant's average and 200 pins. Bowlers averaging above 200 bowl scratch.
10. Bowlers are responsible for the accuracy of submitted averages. If the submitted average results in a bowler receiving an unwarranted handicap advantage then the bowler will be disqualified. If the submitted average is higher than required by Rule No. 7 above, then results will be calculated based on the submitted averages.
11. For each event there will be at least one prize for each 8 entries or major fraction thereof. All of the prize fees portion of the entry fee will be paid out.
12. Bowlers are requested to appear 30 minutes before bowling start times.
13. Lanes will be assigned by lottery.
